After Hours Care

IF YOU THINK YOUR CHILD IS HAVING A LIFE THREATENING EMERGENCY, CALL 911

After hours calls are for PEDIATRIC EMERGENCIES only.
Please call with routine questions during regular office hours.

If the doctor does not return your call in 20 minutes, please call back. Please disable your Caller ID block; failure to do so may delay the doctor's response.

Have the phone number of your pharmacy handy and remember to disable your caller ID block.
